

Memo

To: Personal Care Assistance (PCA) Choice Agencies and Financial Management Services (FMS) Providers

From: Department of Human Services

RE: Notice of Hearing

Workers who provide Consumer Directed Community Supports, Consumer Support Grant and Personal Care Assistance Choice programs are exclusively represented by the Service Employees International Union (SEIU). A labor agreement in effect from July 1, 2021, through June 30, 2023, governs the terms and conditions of their employment.

The Minnesota Public Employee Relations Board (PERB) has received a charge by SEIU arguing Minnesota Management and Budget (MMB) was required to bargain with SEIU about the terms of distribution plans related to a Minnesota 2020 law. The PERB has scheduled a hearing to take place on September 23, 2021. See the attached hearing notice. Right now, the hearing is scheduled to take place in person.
